FROM THE DESK OF THE DEAN

On the behalf of Teaching staff and Non-teaching staff of GMERS Medical College, Valsad, I congratulate and welcome you to GMERS Medical College, Valsad.

At GMERS Medical College, Valsad, we cater to your needs of high quality Medical Education and training; we want you to develop not only as a Complete Doctor but also having sympathy and empathy for the suffering humanity, having absolute dedication to this noble profession & keeping pace with the recent medical technologies and treatment modalities. We want to deliver responsible and dedicated doctors to the Society. We have a dedicated and highly qualified teaching faculty who at every step are ready to counsel you. A system of continuous internal assessment helps you to keep abreast with the teaching and simultaneous self-evaluation. Sports and recreational facilities provided allow the students to de-stress and relax.

With best wishes.

A handwritten signature in blue ink, appearing to read 'Dr. G.R. Patel'. The signature is stylized and includes a long, sweeping underline that extends to the right.

(Dr. G.R.Patel)
Dean
GMERS Medical College
Valsad

▶ **INTRODUCTION:**

GMERS Medical College and Hospital, Valsad is a self-financed institute managed by Gujarat Medical Education and Research Society. It is affiliated to Veer Narmad South Gujarat University and is recognized for 200 M.B.B.S seats by the National Medical Commission, New Delhi.

This institute is spread over 36 Acre lush green campus situated in the beautiful city of Valsad. GMERS Medical College Hospital Valsad, the associated teaching hospital is a multi-specialty 650 bedded hospital catering to multitude of patients from Valsad and adjoining districts.

▶ **VISION:**

We endeavor to bring world class Medical Education, Research and Healthcare services to the greater community and develop into a center of excellence at national and international level.

▶ **MISSION:**

Providing our patients, the quality and personalized medical care at an affordable cost, while keeping our self-abreast of the state of the art technology.

Providing our students, an environment conducive for excellent learning so that they become health care professionals of the highest caliber, sensitized to the health needs of the less-privileged and equipped to carry out ethical and value-based practice.

Delivering the community need - based health programs that lead to improvement in the health standards of all and conduct innovative and interdisciplinary research relevant to the community striving always to improving health standards and practices.

Providing our staff, the work culture that promotes a sense of belonging and accountability, leading to overall growth and development, both of individual and the institution.
